

Tehnički list za artikl: DTOT108060

Podnožje v=100, komplet za DT ormare š=800 x d=600, RAL7035

SCHRACK info

A cable entry with brush for the cable entry is included and can be used on the front or back.

The height of the base is 100mm.

Two bases can be screwed on top of each other and then result in a total height of 200mm. Corresponding holes are available and screws are included.

The base is completely assembled and delivered with fixing material.
