

Tehnički list za artikl: DTRT4261--

Vrata, metalna, 80% perforirana za DT ormare 42U, Š=600 mm

RAL7035

SCHRACK info

Doors DTRT are designed for installation on SCHRACK data freestanding enclosures of the S-RACK series.

Either in place of the standard glass door at the front or as a replacement for the rear panel.

Rear door allows easier and faster access to the back side of the built-in components in case of maintenance, repair or replacement of installed components.

Enclosures without door are available as an option.

S-RACK
